

# VEHICLE BANKSMAN & TRAFFIC MANAGEMENT AWARENESS

**Duration: 1/2 Day**

## COURSE AIM

The course will give individuals the knowledge of how to direct vehicle movements in compliance with their Company instructions and health & safety policy. The course enables delegates to be able to provide directions to drivers using hand/arm signals and raises awareness of the safety factors connected with vehicle movements in the workplace.

## CERTIFICATION

Delegates successfully completing the course will receive a Certificate of Training.

## WHO SHOULD ATTEND?

All persons whose employment duties includes responsibility to marshal or control traffic access and egress from the site or work area and the managing and co-ordinating the movements of vehicles, specifically when reversing of vehicles is required.

## COURSE CONTENT

**Delegates will cover the following areas.**

- The Role of the Gateperson
- The Responsibility of a Banksman
- Workplace Transport and Site Traffic Management Plan
- Pre-planning the reversing manoeuvre
- Importance of Communication
- Maintaining Pedestrian and Vehicle segregation
- Managing Vehicles and plant on site
- Using arm/hand signals to direct drivers
